

STONE COLLECTION

TECHNICAL SPECIFICATION

Thickness (mm)	4.00	Chemical Resistance	EN423	High Resistance
Wear Layer (mm)	0.3	Residual Indentation	EN433	$\leq 0.08\text{mm}$
Utilization Class		Dimensional Stability	EN434	$\leq 0.08\%$
Coating	PU with DiamondShield™	Colour Fastness to Light	EN20105-B02	≥ 6
Embossing	Real Stone Texture	Slip Resistance	DIN51130	R10
Bevelled	V-grooved	Watertightness	EN13553	No Penetration
Fiberglass	yes	Wear Resistance	EN660-2	Group T
Plank Size	304.8mm x 609.6mm	Antimicrobial Activity	ASTMG 21-96	Class 0
Sqm Per Pack	1.8578	Fire Rating	EN ISO 9239-1	Bfl - S1
Pallet Packing	120.757 / 65 packs	Warranty for Domestic use		15 Years
Impact Sound Insulation	ISO 717-2	Warranty for Commercial use		7 Years
	5 dB			

A stunning collection of high quality floors with the natural beauty and durability of stone, slate, and marble, yet with all the practical benefits of luxury vinyl tiles. Now you can have a stone or concrete floor look that is very quick and simple to install using the patented Uniclik system. Simply click the floor together no need for glue or adhesives, then sit back and enjoy years of beautiful, maintenance-free, waterproof, and highly durable flooring.

Eco-friendly and made from 100% recyclable material, virgin PVC, emitting no volatile organic compounds. more hygienic than natural stone flooring as there are no unsightly germ-gathering grout lines. With Aqua-Click Stone, bacteria can not latch onto cracks and the surface simply wipes clean. This makes it an ideal floor for use in homes, hospitals, and schools.
